

**Design Range**

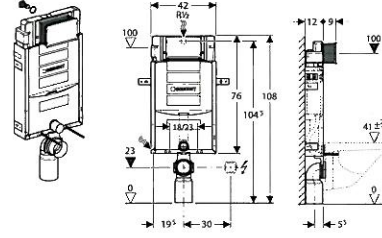

**Kombifix**

For wall-hung applications

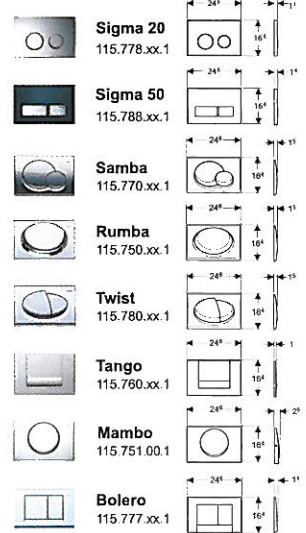

**110.772.00.1 (80mm)**  
Previously - 110.765.00.1

**110.350.00.5 (120mm)**

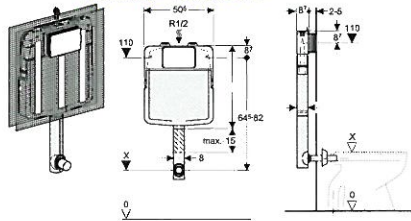

**Actuator Plates**

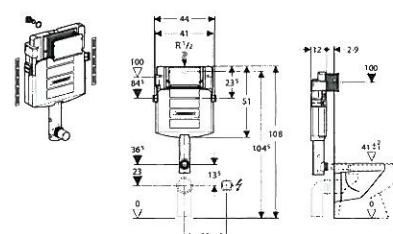

**Concealed Cistern**

For floor standing applications

**109.771.00.1 (80mm)**  
Previously - 109.766.00.1

**109.300.00.5 (120mm)**

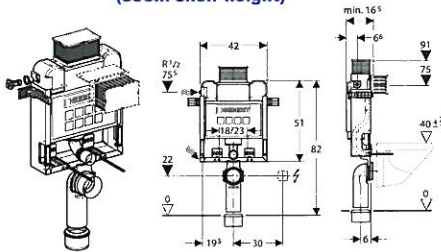

Note:  
**Duofix option**  
Available for dry wall application

**Design Range (for height restriction)**

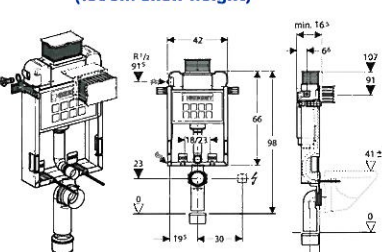

**Kombifix**

For wall-hung applications

**110.251.00.1 (85cm shelf height)**

**110.259.00.1 (100cm shelf height)**

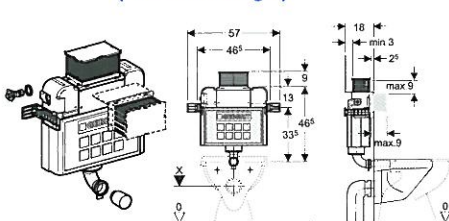

**Actuator Plates**

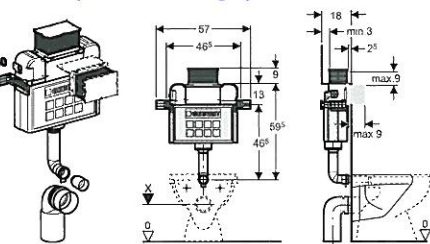

**Concealed Cistern**

For floor standing applications

**109.201.00.1 (85cm shelf height)**

**109.210.00.1 (100cm shelf height)**

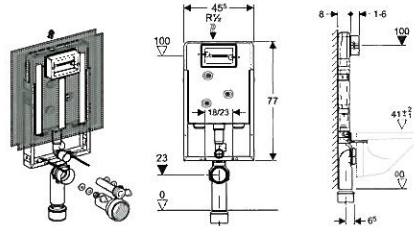

Note:  
**Duofix option**  
Available for dry wall application

**Standard Range**

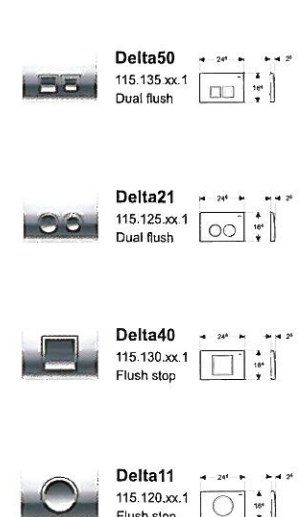

**Kombifix**

For wall-hung applications

**110.150.00.1 (80mm)**

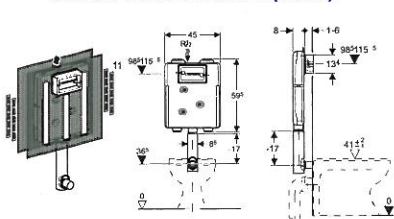

**Actuator Plates**

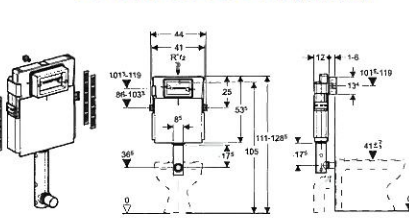

**Concealed Cistern**

For floor standing applications

**109.130.00.1 (80mm)**

**109.160.00.1 (120mm)**

Note:  
**Duofix option**  
Available for dry wall application
