TASSA 900x900x30 or 1000x1000x30

THE TASSA ARE A
NEW FAMILY OF TRAYS

With an internal height of 30mm.
The concept is to install the tray at floor level
as a walk in shower with all waste fittings below floor level.
The sides of the tray have shallow gradients to facilitate
showering for disabled persons.

Rectangular Shower Trays
